

Waiting for your call

1 } Waiting for a phone call that never comes
Waiting like forever twiddling my thumbs
Everything suspended waiting for your call
Hoping that the news from you
is what I'm waiting for

2 } Cause I told you that I'm in love
You're the object of my affection
I want you near me | touch me hear me
I'd like to think you love me too

1 } Waiting by the phone no text or SMS
Can't figure out how DM works
But you said you're coming round my door
Put out the welcome mat for your arrival

2 }

1 } When you get here or when you call
I'm pacing waiting for it all
Whatever happens I will love you
Hope you can love me and tell me too

2 } So, I'm here my patience wears thin
So in love don't know where to begin
I'll be sad if you don't come today
I'm going to wait for you anyway
