Fewer inklings what I've seen | D | Em |

No surprise on black and white TVs

I knew less ~ obviously

DEMO #2
ARRANGEMENT

Stood the whole way to Lubeck
Slept in a bus stop what the heck
Rain poured down I knew what they said
Too tired to care the bench my bed

Rained all day mud to my knees
Stuck my thumb out smiled - Please?
Wished I was back in Antwerpen
Faster cars stopped for me then.

TEMPO 118 BPM

Caught a ride to Bremen
Got lost in the forest
Arrested by the local
never got to where I was going

I gave up on destinations
Just thumb out no thought at all
Trust my gut before I ride
So far I it's worked out well.
